

Small Business Resource Center

This Chamber web page is dedicated to increasing small business owners awareness of the information and resources that are available locally and through the internet. This page will be updated on a regular basis as new information and resources are identified.

SCORE

SCORE (Senior Core of Retired Executives) "Counselors to America's Small Business" is a nonprofit association dedicated to educating entrepreneurs and the formation, growth and success of small business nationwide. SCORE is a resource partner with the U.S. Small Business Administration (SBA). SCORE volunteers are real-world professionals with time-tested knowledge who donate thousands of hours annually to help small businesses succeed. Counselors are experts in such areas as accounting, law, finance, marketing, management and business plan preparation.

Mandeville SCORE operates out of the St. Tammany Parish Library Business Support Office at the K-Mart Plaza, Rt. 190, Mandeville. Appointments can be made by calling 1-877-381-7130.

MEPOL

MEPOL (Manufacturing Extension Partnership of Louisiana) is part of the nationwide Manufacturing Extension Partnership of the National Institute of Standards and Technology. MEPOL provides each client with a thorough assessment of their business practices - from top management to production floor - to determine the best way for their company to transform into a more productive and cost effective unit.

For more information as to whether or not MEPOL can be a benefit to your business, go to their website at www.mepol.org.

NFIB

The National Federation of Independent Business is the leading small business association representing small and independent businesses. A nonprofit, nonpartisan organization founded in 1943, NFIB represents the consensus views of its members in Washington and all 50 state capitals.

NFIB's mission is to promote and protect the right of its members to own, operate, and grow their businesses. By pooling the purchasing power of its members, NFIB gives members access to many business products and services, including healthcare and insurance, at discounted costs. For additional information about NFIB, go to their website at www.nfib.com.

TechAssistLA

TechAssistLA helps small businesses, entrepreneurs, and non-profits in the Katrina/Rita damaged zones of LA utilize technology to expand their markets, streamline business processes, improve their networks, and learn standard business software. TechAssistLA is a community project directed by the LA Technology Council. Businesses needing technology assistance are matched with a LTC member company that specializes in the area of technology they need. See their website for additional information at www.techassistla.com.

Retirement Plan Decision Making

Need assistance choosing a retirement solution for your small business? This DOL website provides retirement program assistance to small employers and accountants. www.dol.gov/ebsa/compliance_assistance.html#section7.

Workforce Development

Are you aware of the valuable workforce development initiatives currently operating in LA? One of these programs is called **WorkReady**. Employers can apply the program to their existing workforce or can use its results to target hiring standards. This program initially measures fundamental workplace skill levels using the Workkeys tool, by testing an individual's application on: Reading for Information; Applied Mathematics; Locating (graphical) Information; Applied Technology; Writing; Listening; Observation; and Teamwork. To learn more about Workforce Development programs, go to www.laworkforce.net.

LAWorks

Need training for your employees? Need help with workers' compensation? Need help with unemployment taxes? Need to find an employee? Check out the LA Works website as it has very helpful information at www.laworks.net/Businesses.asp.
